PROPOSED PROJECT NAME:

Peace Through Community Service

SUMMARY / BRIEF DESCRIPTION ABOUT THE PROPOSED PROJECT

This project will enhance youth awareness toward the importance of PEACE and involve them in community service so that they learn how to help the others that can bring peace around the world since PEACE is an important thing needed for healing the children who got trauma after several bad conditions occurring around them. In conducting the project, students will strive to support children life and bring them to a Peaceful life with the Spirit of Peace through Music, Cultures, and the other actions for overcoming their trauma after undergoing bad situation. Therefore, myriads of activities such as creating poster of peace, composing songs or poems related with music, visiting orphanage or slam areas and many more, can be the parts of this project.

RATIONALE FOR THE PROJECT:

Peace is a tremendously thing in our life since it has great contribution to human life. Living in Peace brings positive values such as stimulating ideas that can emerge creativity or inspiration, Children who are the ones who will lead the world should understand the importance of Peace so that they can create wonderful world in which people living in harmony; having sufficient food and good education though they have just experienced earth quake, no conflict, no discrimination they support each others in difficult situation. Through this project, we foster school children in understanding the importance of Peace and support their education through several fruitful activities in order to the children living in bad areas can be happy, continue their school activities, and gave the other youth the model of how to spread Peace through community service.

EXPECTED CONTRIBUTION FROM ASIAN SCHOOLS/STUDENTS:

To share their activities related with the peace by exposing their activities through web blog or we site containing pictures, videos, stories, and their own culture at a glance.
